**This is a true story about Jesus.
It comes from Matthew
Chapter 8 in your Bible.**

One day Jesus was walking with His disciples when a man with leprosy met him on the road.

(Leprosy is a terrible skin disease.)

**The man was lonely, he was sick,
and he was afraid. The people
around him called him unclean.**

The man's doctors couldn't help him, and no one the man knew was willing to be near him anymore.

They would all run away when they saw him coming, or throw rocks at him until he went away.

They were afraid they would get leprosy too.

He couldn't even go to the temple to give God a gift or to pray, because lepers weren't allowed there.

**Jesus didn't run away,
and He didn't tell him to
go away,
either.**
