One letter in each word in the left-hand column can be replaced to change the word into the name of a farm animal. Take the discarded letter and add it to one of the words in the right-hand column (no rearranging is necessary) to make the name of a sea creature.

Example: "Lamp" with the letter "p" replaced will become "lamb" and the "p" can be added to "car" to make "carp."

## Trailing Words

Beginning with the outlined box, move from box to box across, up, down, or diagonally to reveal a Bible verse from Matthew about Noah. The letters are in the correct order, but the words run together.

NBE		HED	<b>BUT</b>
FMA	AYS	AST	OAH
ONO	HES	OFN	WER

## Fall into Place

4

Place the letters in each column into the boxes below to form words making up a Bible verse from Genesis that can be read left to right. A word does not necessarily end with a row, but each black box determines the end of a word. Each puzzle is a different verse about Noah and the flood.
